

CITRUS MASK

Roof & House Wash Enhancer Foaming Bleach Cloaking System

Citrus Mask's Biodegradable, high foaming formula is built into an all in one high tech "bleach cloaking" process. **Citrus Mask** has fantastic wetting properties that help create more foam that is longer lasting, thus bringing greater surface time efficiency.

Citrus Mask's unique cloaking ability infuses its ground breaking orange aroma to bring forth a pleasant solution to roof and house washing.

DIRECTIONS FOR USE: Structure Washing: Use 6-8 oz. of **Citrus Mask** per 5 gallon of 12% Sodium Hypochlorite.

Roof Washing: Mix 2qts. Of **Citrus Mask** to 55 gallons of 4 % Sodium Hypochlorite. 1qt per 30 gallon, or 4-6oz. per 5 gallon. For vertical surfaces always apply cleaning solutions from the bottom up and rinse from the top down. If using a 6% solution or a 12% solution of bleach, use the same mix ratios as stated above.

Do not allow the solution to dry on surfaces. Always rinse thoroughly.
