

# GUTTER BITE

## Super Concentrate

**Gutter Bite super concentrate** is designed for the professional to be cost effective and highly efficient. 1 quart of Super Concentrate makes 2 to 4 gallons of ready to use cleaner. Depending on the severity of the soil **Gutter Bite** can be a touchless spray on and rinse, or if needed a light agitation with a soft brush.

**DIRECTIONS FOR USE:** **Gutter Bite** is super concentrated. That translates to attractive product for shipping and cost. It can be diluted two parts water to one part product and up to three parts water to one part product.

Simply wet down the gutter with the ready to use solution or apply more concentrated utilizing your pressure washer chemical injector and rinse off with a lower pressure. Light brushing with a soft brush may be required on heavily soiled areas.

DO NOT USE ON POLISHED OR ANODIZED ALUMINUM. HANDLE AND USE WITH CAUTION. PROTECT OR WET DOWN ADJACENT PAINTED AREAS AS WELL AS PLANTS.
